

JULIAN MONTGOMERY

Cross-Cultural Business Strategist | Global Business Communication Advisor

Florianópolis, Brazil · U.S. Citizen, authorized to work in both countries · juliantmontgomery@gmail.com · +55 (41) 99894-6742 · [linkedin.com/in/julianmontgomery](https://www.linkedin.com/in/julianmontgomery)

Independent consultant and business-communication advisor based in Florianópolis, Brazil, with 15+ years of international consulting and business experience bridging the U.S. and Brazil. Advises companies on cross-cultural market entry and business strategy, and leads practical English-language communication workshops for teams and professionals. Holds a Global Partners MBA. 500+ professionals trained and 13 corporate clients served across 7 countries in the Americas and Europe.

AREAS OF PRACTICE

Management Consulting & Market-Entry Advisory

Cross-cultural strategy for companies expanding between the U.S. and Brazil: market research, market-entry planning, and marketing and communication strategy for the new market.

Global Business Communication Workshops

Practical, hands-on workshops in English for Brazilian teams working in global business, built around real workplace situations: leading meetings, presenting, negotiating, handling disagreement and building trust across cultures. In person in Florianópolis or at the client's site, and online. One-to-one sessions available on request.

TRACK RECORD

- 15+ years of international consulting and business experience based in Brazil
- 500+ professionals trained and 13 corporate clients served across 7 countries (Brazil, USA, Canada, Portugal, France, Italy, Switzerland)
- Industry exposure includes automotive, transportation, defense manufacturing, biotechnology and retail, plus training for healthcare professionals
- Clients have used this training to succeed in job interviews with U.S. companies and to prepare talks and presentations in English

EXPERIENCE

Independent Consultant | 2013-Present

Florianópolis, Brazil (Remote). Operating as Pontis Global (2013-2018) and Angelino English (2018-Present)
Advised clients expanding into the U.S. market on marketing and cross-cultural communication strategy. Designed and delivered English-language training and video courses for corporate clients and individual professionals across the Americas and Europe.

International Business Consultant | 2010-2013

São Paulo, Brazil. Corporate-strategy and government-relations consultancy

Conducted market research and developed business strategy for multinational auto, transportation and defense-manufacturing clients entering the Brazilian market.

Co-Founder & Managing Partner, Key People Management | 2003-2010

Atlanta, GA

Co-founded and scaled a concierge services company to contracts with 6 high-rise residential properties, hiring and training a team of 100+ employees. Concurrently a licensed Georgia real estate broker (2006-2008).

EDUCATION

Global Partners MBA, Executive Leadership & Commercial Diplomacy (2008-2010). Georgia State University, Robinson College of Business, joint program with Université Paris I Panthéon-Sorbonne (IAE) and COPPEAD-UFRJ.

Bachelor of Arts in Business Administration (Marketing), Morehouse College.

LANGUAGES

Native English · Fluent Portuguese · Intermediate Spanish (resuming study)

PROFESSIONAL AFFILIATIONS

Toastmasters International: Vice President of Membership. Advanced Educational Certifications: earned legacy certifications in public speaking and leadership through dozens of evaluated speeches, guiding new members and managing meeting logistics.

"I took classes with him to prepare for a job interview at an American company... I got the job! I'm certain that without his help, I wouldn't have made it."

Sté, São Paulo (translated from Portuguese)
